EDUCATION

SINGAPORE MANAGEMENT UNIVERSITY Aug 2024 – Jan 2026

MSc in Applied Finance

- Courses include Equity Research and Portfolio Management; Financial Modelling; Fintech for Finance

ZHEJIANG UNIVERSITY OF TECHNOLOGY Sept 2020 – June 2024

Bachelor of International Trade and Economics

INVESTMENT RESEARCH AND PRODUCT PROJECTS

Corgi | Independent Investment Research Aug 2026 – Aug 2026

- Conducting an independent investment analysis of Corgi, assessing market opportunity, business model, competitive positioning, and venture return scenarios

DontFeedMonster | Independent Product Project Apr 2026 – July 2026

- Turned a personal task-management problem into a gamified Chrome extension; designed, built, tested and published the product using Claude Code

KIT Investment Analysis & Investment Strategy May 2025 – Aug 2025

- Analysed five years of financial performance, structural risks and peer benchmarks to develop an investment recommendation on Keppel Infrastructure Trust

EXPERIENCE

Axiom Asia Private Capital – Singapore Aug 2025 – Dec 2025

Finance Intern

- Supported year-end valuation analysis across fund portfolios, applying an 80/20 approach to prioritise material assets, reviewing quarterly reports and identifying key drivers of valuation movement
- Analysed performance metrics including TVPI and MOIC across multiple funds, developing familiarity with how PE funds measure, monitor and communicate investment returns
- Reconciled daily fund cash flows against capital calls, distributions and drawdown schedules
- Performed detailed quality checks on Capital Account Statements and Quarterly Reports, validating data accuracy and cross-statement consistency across multiple funds
- Conducted UAT for Canoe Intelligence, validating system outputs against real-world financial documents and flagging discrepancies

Jianxing Shuka (Hangzhou) Coffee Co., Ltd – China July 2022 – Nov 2023

Co-partner

- Managed P&L and cost control with the founding team, helping achieve annual net profit of RMB 50,000-60,000; executed two university partnership campaigns that increased foot traffic by 40%
- Tested demand for a new sparkling drink at an outdoor film event; it became the day's best-selling item and was added to the seasonal menu for the following month

Astronergy New Energy Technology (Hangzhou) Pte., Ltd – China Mar 2024 – May 2024

Finance Operational Intern

- Maintained a dynamic product pricing model to support budget planning – collecting daily inputs from procurement, logistics and sales and adjusting against raw material costs, freight rates and market conditions

Wuchan Zhongda Chemical Group Co., Ltd – Zhejiang, China July 2023 – Sept 2023

Finance Operational Intern

- Reconciled procurement, inventory and billing data in SAP, checking consistency across trading records

ADDITIONAL

- Technical Skills: Excel, PowerPoint, Power BI; Canva, Figma; AWS Certified AI Practitioner Exam(in progress)
- Language: English (professional working proficiency); Mandarin (native)
- Interest: Visual storytelling (photography); Event organization
- Volunteering: DigiMarCon & TECHSPO Singapore 2026
